CHAIRMAN'S MESSAGE

DR. PRABIR PAL
FOUNDER AND CHAIRMAN OF RCM, BHUBANESWAR

Dr. Prabir Pal, Founder and Chairman Of RCM, Bhubaneswar; is an IIM qualified professional with more than 4 decades of Industry and Academic experience seasoned through Entrepreneurship, Investment Finance, and Market Development in Agri-Business, and Consultancy.
An active Executive Board Member of the Association of Indian Management Schools (AIMS), Dr. Pal was recognized as a "Fellow AIMA," in New Delhi for his contribution towards Excellence in Management Education.
Dr. Prabir Pal's excellent leadership helped The Regional College of Management to take it to the highest ranking B-School Categories.

The Business World today requires leaders who would not only contribute to their organizations but also will provide new direction and leadership to society to make it a better place to live in.
RCM was established way back in 1982 and since its inception, it has been continuously evolving in its strategy to respond to contemporary business needs and social changes. Our Alumni have achieved laurels in the past and have set a trend for the new entrants to face the emerging challenges with professionalism and dedication. With world-class infrastructural facilities and a dedicated team of talented faculty members. RCM always strives to achieve excellence in varied dimensions of management and technical education.
RCM Bhubaneswar continues to be the best in its class across the board. In its field of influence, the faculty have shaped management thinking. The techniques and methodologies of the institute have changed over time. Our outstanding talent is also one of the best-trained but still keen to learn, ready to join the list of highly successful alumni across professions.
I, along with all the members of RCM family welcome you to our institute and wish that you have an unbelievably valuable experience at RCM.

40 YEARS OF LEGACY IN MANAGEMENT EDUCATION

Since its inception in the year 1982, the Regional College of Management has been accoladed and approved by various Accreditation Councils and Commissions, which has attested to the preeminent reputation of the Institute globally.Tie up with multiple International Universities, research centres with global exchange of students for the ultimate international experience. Some of these international linkages are across Singapore, UK, US, Australia, etc

Accreditation & Memberships

ABOUT THE INSTITUTE

Established in 1982, Regional College of Management (RCM) is the 1st Management College in Odisha set up at the heart of its capital, Bhubaneswar.

FACULTY @ RCM

Intellectual Capital

- ✓ The faculty members hold a rich experience in the field of Management and Technology. They carry their research experience into the classroom and impart the knowledge to the students.

- ✓ The faculty helps students in building skills and intellect through innovative teaching methodology.

- ✓ The faculty members prove to be pillars of strength in their own right. Their excellent experience and skills assist in enhancing a student's potential to the next level.

9:1
STUDENT TO
FACULTY RATIO

RCM faculty are leading innovators who work both inside and outside of the classroom to chart the growth of students and transform them.

It is not our hi-tech classrooms but brilliant pool of faculty that create all the difference.

LEADING THE WAY

A team of highly qualified, dedicated, and experienced faculty members deeply engaged in education and research helps elevate the success factors for students. The college renders an extensive platform where one can cultivate skills in order to channelize one's career. The faculty establishes an effective understanding of fundamental concepts through direct contact with the business leaders and industry experts.

DEFINE YOUR COMMUNITY

RCM Community helps each other succeed in college and throughout their Careers
Our inspiration to make a difference comes from the power of our Alumni Network
Around the world, our dedicated alumni provide critical financial support, offer invaluable services and opportunities to students, and support our faculty members in their teaching and research.

15780+ & GROWING

OUR ALUMNI AS MENTORS:
Mentorship takes many forms, from serving as a class guest speaker or a panelist in an industry discussion to offering advice at a one-on-one coffee chat. Regardless of the format, being a mentor creates vital connections and provides an avenue for our alumni to share their expertise.

Our Alumni as Career Guides:
Our alumni play an important role in helping students launch careers and pursue meaningful internships.

Alumni Association:
The maintenance of a strong alumni community is highly-valued and a key component of the RCM academic model: alumni pay regular visits to campus as guest speakers, attend RCM alumni association events, come forward to advise amd mentor.

Hosting Students:
Direct company engagement has always been a cornerstone of the RCM experience. Our vast alumni network carries this legacy forward year after year by hosting RCM students on industry-focused treks and transformative global experiences. Alumni working for companies of all sizes-ranging from startup ventures to Fortune 500s provide students with a unique perspective of how commerce shapes communities, nations, industries, and cultures.

RCM ADVANTAGE: NETWORKING
The campus will become your second home, and these people – your classmates, professors, and staff become your family. You can count on them to support and encourage you at every turn, from learning a difficult business concept to interviewing for jobs.

LIFE @ RCM

WHY BCA @ RCM

The Bachelor of Computer Applications (BCA) programme is a three-year (six-semester) undergraduate programme that uses a choice-based credit system (CBCS). The academic curriculum is primarily intended to provide students with a quality approach that will enhance their technical, cultural, and ethical perspectives.

The BCA programme is designed for students who want to pursue a career in computer science and applications. This course keeps students informed about the most recent developments in computer science and applications.

The BCA curriculum is designed to prepare students to become proficient in a variety of computer programming languages, develop problem-solving skills, and excel at handling real problems that arise from the industry-technology interface. The programme provides a syllabus that is tailored to cover the most recent technological breakthroughs and equips candidates with the necessary skills and knowledge to enter business and carve out a place.

RCM PLUS ADVANTAGES

WORKSHOP, SEMINARS, GUEST LECTURES, INDUSTRY INTERFACE

At RCM, workshops, and seminars are conducted throughout the year. Experts from industry and academicians are invited to deliver lectures to our students. Students are also encouraged to organize seminars & give presentations to improve their technical and presentation skills. Eminent speakers from various walks of life including Industry, Academia, Social Sector, Public Sector, etc. visit our Institute and share their expertise with students and guide students to help them to become better managers.

TECH-MINDS

Extracurricular activities of great passion and value which gives students an opportunity to develop their skills. Different levels and rounds of technology-based activities like quizzes, presentations, cultural etc. are organized from time to time. Technical talks are also an integrated part of this activity. This activity is planned with a purpose of letting everyone be aware of the importance of having a strong foundation in technical skills, which is mainly targeted when it comes to the industry, also with a perspective of testing each participant's knowledge about existing software and technical skills.

VALUE ADDED COURSES

Blockchain Technologies
AI and Roboticx
Data Science
Full stack development
Multiverce Graphic and Media Design
Cybersecurity
Crypto Technologies
and many more as added skills

CODING COMPETITION

Students are encouraged to participate in coding competition to test their skills in different domain areas, like coding, Data Science, Machine Learning, Artificial Intelligence, IOT, etc.

LIVE PROJECTS

Students are exposed to all the latest technologies while developing Projects at our world-class lab facilities at the Institute. Projects are mentored in various areas of technology like App development, web designing, and development, data mining, etc.

CLUB ACTIVITIES

Club activities help students develop a sense of unity and teamwork, learning how to work with others in reaching the same goals. It helps you to gain knowledge, skills, and experience in leadership, communication, problem-solving, presentation, and public speaking.

PLACEMENTS

100% year on year placement with highest package of 12.5 lacks per annum.

SPEAKER SERIES

Speaker series are conducted in every semester. During the series, experts from different specialized fields of Computer Data Science interact with the students on the topics of high technological advances, academia-industry relations, research initiatives, data warehousing and mining, Data Science, Artificial Intelligence, IOT, etc.

"Engaging with a small set of cohort is a big part of what makes RCM unique. You will get to exchange ideas, offer inputs, and seek out viewpoints from a community of Techno-learners."

Animesh sahoo
BCA

CLUBS @ RCM

- ⊘ **VICTORS CLUB** - Playing any sport brings out your inner leader. Chess, volleyball, box cricket, and badminton are among the inter-college tournaments arranged by the Sports Committee. The Committee has worked hard to improve the sports infrastructure.

- ⊘ **STELLAR CLUB** - Through a medium of creative art and literary curriculum, RCM's cultural club, also known as the "Stellar Club," aims to promote students' interest, involvement, and responsibility in the innovative field. The creative idea is to give the college community social, cultural, and recreational activities. The Club Committee meets once a week and offers students motivation and the chance to work on both individual and group projects.
  The students form and run their own clubs, which are further subdivided into six clubs under the stellar, named Drishyam, Kriti, Mudra, Paakshala, Spectrum, and Dhwani, allowing them to practise and hone their competency and decision-making abilities. The clubs offer members a learning opportunity because they are run by students who organise, control, and schedule events under the guidance of a faculty coordinator.

- ⊘ **ANIMATION CLUB:** Our animation club at RCM is constituted to deal with all aspects of animation from very basic to most technical. The club organizes lectures and workshops on 3-D animation and special effects to help student create their own animated films. From a creative prospective the club mostly emphasizes on topics such as Principles of computer animation (Drawings &Design), animation History & Story telling, techniques in 2D & 3D, modelling and rigging in animation, lighting & texting in Animation.

HACKATHONS: at RCM are time-specific competitions for BCA students, designed to bring around their innovative capabilities through creative projects. The students design, build and present the most creative solution and then pitch the final concept, prototype through presentation. Students showcase their software development, graphic designing, interface designing, product managing, project managing and domain expertise.

IT CLUB - The IT club focuses on providing all IT-related solutions on campus. The club focuses on building an interactive online forum for brainstorming IT-related issues. It also focuses on Analytics and managerial solutions with help of machine learning and deep learning.

REPUBLIC OF CODER CLUB - Coder Club aims to establish a coding culture on campus, reaching every student passionate about coding. The club's motto is to Create-Build-Innovate. The Club provides participating students an opportunity to learn the basics of computer programming in a team setting. The club's main focus is on creating applications, websites, games, stem/steam workshops, and other projects.

DIRECTOR'S MESSAGE

Dr.Pritam Pal
Director, RCM, Bhubaneswar

Incubating Ideas. Driving Insights. Creating Leaders

Regional College of Management, Bhubaneswar is changing the way business is done and will be done. With our MCA program RCM is the source of bringing out globally competent pioneering computing professionals, researchers, innovators and entrepreneurs and thereby succeed and contribute value to the knowledge based economy and society.

Our faculty, students, and alumni generate big ideas, back them up with incisive analysis, and turn them into ingenious solutions that work. We educate, inform, and inspire the leaders who are meeting the world's complex challenges, advancing business practice, and drive economic growth at a global scale.
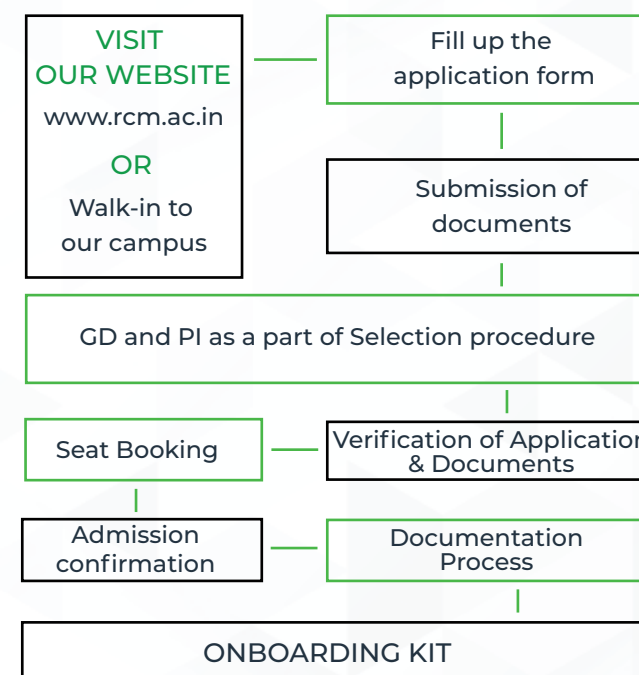

RCM has always been among the frontiers in harnessing data for smarter decision-making and Incubating ideas to build expertise that transcends borders.

For more than 40 years, RCM has been the place where visionaries, inventors, and trailblazers get their start. Since then, the 4th best Eastern B-School has continued innovating to meet mounting global demand for new ideas, deeper insights, and transformative leadership. We blaze trails, from being Odisha's first collegiate center for entrepreneurship to our latest research in alternative investments and neuro management.

RCM is Developing leaders to change the world with radical ideas that has revolutionized both business practices and higher education. I, Dr Pritam Pal, the group Director at Regional college of Management invite you to join the league of 15,700 leaders from RCM and be the drivers of Transformation, in the field of technology in the world.
